Subject: RE: Happy New Year +

Dear Mr. Barak,

I hope it is not late to wish you and your family, and the people of Israel a happy Rosh Hashanah. Shanah tovah! Thank you for your greetings and the letter.

I just returned to Baku from a business trip without access to my email.

Mr. Barak, with the invitation for the Clinton Global Initiative, it can be sent to my address and I will immediately deliver that to the Office of the President. I also hope he will be able to attend. Also, I hope to be able to provide you with the dates soon.

Please have a very good trip to Nigeria and Singapore.

As far as football is concerned, we don't have any chances... Good luck is not enough. The team has to be able to play football...

Yours,

Elshad

Dear Elshad

I hope this email finds you and your family well.

It is a new year tomorrow for our tribe , so I wish you , your family ,friends and the whole Azeri people Happy New Jewish Year. Best regards to the President as well.

Yesterday the Clinton Global Initiative office contacted me to get an email address to which they can send the invitation for President Ilham Aliyev to participate in this September 24th-26th gathering of the Clinton Global Initiative in NY.

PI provide me such an address and inform the President's Office. From my point of view it could be your address. But let me know.

I hope the President can find the time to attend. If positive we can think how to leverage his presence most effectively.

On another issue, I'm visiting within the next two weeks both Singapore and Nigeria and meet with the leadership in both countries. If you or SOCAR think of something interesting in any of the two places please let me know.

Last not least, have a good luck in the football match vis a vis Israel.

Looking forward for the dates from the previous emails. Working on inviting Minister Mr.Mahmudov to the Halifax Forum in November 2013.

Best
Ehud Barak
